

## Terms of the Program

### Organization/food service commits

- to follow the [Steps to Organic](#) -program
- to increase the use of organic with its own organic plan
- update the organic plan at least once a year
- to verify organic purchases to the program administrator
- provide the data of the organic usage to the program administrator to calculate the share of the organic with the KÄTSY system
- immediately notify the administrator of any changes to the plan or contact persons
- informing their clients, personnel and stakeholders about joining to the program
- pay the annual fee for the program
- to inform the administrator about resignation from the program at least 2 months before the next annual fee is charged. Resignation must be made in writing to the e-mail address ekocentria (at) sakky.fi.

**ATTENTION!** If the administrator get's the notice of resignation after year's annual fee is charged, **the annual fee will not be refunded.** The organization will be found on the program site to the end of the billing period.

Once the registration form has been completed, we can process your registration and then send you the information about approving to the program. After that, restaurant/food service has the right to use the Organic Restaurant -logo and other program information materials.

By marking the box 'organization name and contact information can be published', you will ensure that all restaurants listed on the form are visible and searchable in Organic Restaurant -Search.

### We are happy to help you with the Steps to Organic -program
